I have a 2009 Sportster 1200C and purchased the mini Tach - 68953-04. This tach exactly matches the stock speedo. I am doing the installation myself. I have the power and ground wired, but where the heck do you connect the Pink Signal wire? The instruction manual references the #3 cavity on the 39-B connector on the rear of the speedometer. My ...

I tell a lot of new comers to the forum to get: Factory Service manual and the Parts manual. Get a three ring binder and record all your maintenance, repairs, accessories, etc. This will be a great reminder of what was done when. And great material to pass along to the new owner should you sell and upgrade. Also know how large your fuel tank is, a rough idea of your range per tank, and record ...

A Harley owner may want to check with their service manual for the exact location of their diagnostic port. That being said, the location for the diagnostic port when sitting on your ride is: Behind the side cover, on the right side and in front of any saddle bags for Touring bikes manufactured from 2001-2007. After 2008, the diagnostic port may be found on left side with all other aspects ...

To this extent, Saab chose the 2007 Frankfurt Motor Show to debut the Turbo X, a new model designed to recall the "Classic" 900 Turbo and celebrate the thirtieth anniversary of the original 99 Turbo's launch. With the turbo so deeply ingrained in Saab's DNA, it's easy to overlook the company's only true sports cars, the two-seat Sonetts built between 1956 and 1974. And with a sturdy front ...
