Alcock provided countless, helpful examples, graphs and diagrams that thoroughly explained the material and led to my further understanding of animal behavior. This textbook not only greatly guided me to my success in my animal behavior class, but also left with a newfound interest in animal behavioral studies.

Animal Behavior: An Evolutionary Approach by John Alcock

This new edition of Animal Behavior has been thoroughly rewritten with coverage of much recent work in animal behavior. The scope of the changes for the tenth edition, however, is much more all-encompassing than that of past revisions. Thoughtful suggestions from many readers inspired a major reorganization of the material, such that the new book presents the central concepts of animal ...
