Automatic Transmission Application Identification

See the Application Guides below to determine which Automatic transmission fluid is appropriate for your Mini. Mini does not list any fluids other than the factory fluids, but several manufacturers lists their products as 'compatible' with factory fluids - these options are listed under 'Alternate Fluids'. The factory recommended interval for the automatic transmission is 100,000 miles and MINI states the manual transmission fluid is a 'life-time fluid' that does not require fluid replacement.
