Cheshire school board considers changing bullying policy

Since PISA 2015 asked similar questions about bullying as PISA 2018 did, education systems can monitor changes in the prevalence of students' exposure to bullying at school.¹ The responses provided by students in 2018 closely followed the pattern observed in 2015, with an upward trend in the responses to all six questions on bullying during the period (OECD, 2017 [24]) (Table III.B1.2.2). On ...

North Brunswick Township High School | Home

Good nurturing can make up for many of nature's mistakes: lack of nurturing can trash nature's best effort" (Harris, 1998, p. 2). Harris (1998) disagrees with this statement because she does not believe that nurture should be labeled as a synonym for environment, which it is in many psychology textbooks and papers. Using these two words ...
