some time after 1950 and before 1962. By 1968 the company was purchased by Houdaille Industries, Inc. As late as 1986 a patent was assigned to "Burgmaster - Houdaille, Inc." Information Sources. Most of the information is taken from patent records.

Burgmaster Corp. - History | VintageMachinery.org

Burgmaster corp. was a thriving company in the year 1965. In those times, the company's annual sales reached \$8 million. The company wanted to expand and it required funds for that purpose. Hence, Houdaille Industries Inc., a Buffalo based conglomerate bought Burgmaster corp.

Burgmaster Corp. was another Houdaille acquisition, and Houdaille tried to merge the very different operations of Burgmaster and Powermatic, with disastrous results. Despite the upheaval, Powermatic largely managed to maintain their reputation for quality during this period, which is more than can be said for Burgmaster, whose reputation for high-quality precision products was badly damaged.
