CAP Reform, Going for Growth and Rural Development ...

For direct payments and rural development, the new CAP rules will start to apply as from 1 January 2015. Council and Parliament agreed in June to postpone the implementation of the new rules on direct payments until 1 January 2015, but this seems to be the first time that the institutions have agreed that the start of rural development programmes should be pushed back to 1 January 2015.

rural development | CAP Reform

We shall deal with farm subsidies first and then move on to common agricultural policy (CAP) reform, beef carcasses, and the underspending of Executive funds. The Minister will then make a statement. The Minister of Agriculture and Rural Development (Ms Brid Rodgers): The Committee saw an advance draft of the code of practice last year.

CAP Reform: introduction to the new Common Agricultural ...

Europe's common agricultural policy is broken - let's fix it! The Commission has published without fanfare on its MFF website the breakdown of national pre-allocated ceilings for direct payments and rural development for the coming 2021-2027 programming period as well as their scheduling over the seven-year period. These figures are based on the European Council's MFF conclusions in July ...

CAP Reform

The CAP, which accounts for over €350bn of the next seven-year budget, is based on two big strands of payments: direct payments to farmers, and support for rural development. The plans of the EU Council and EU Parliament foresee that at least 20 and 30 percent, respectively, of direct payments to agriculture are linked to environmental requirements.

Timmermans 'disappointed' with ongoing CAP reform

The Council agreed its general approach on the post-2020 common agricultural policy (CAP) reform package. This agreed position puts forward some strong commitments from member states for higher environmental ambition with instruments like mandatory eco-schemes (a novelty compared to the current policy) and enhanced conditionality. At the same time, the agreed position allows member states to ...

Future of the CAP post 2020 - Consilium

The latest reform also sets new objectives for the CAP (Article 110(2) of Regulation (EU) No 1306/2013): economic (ensuring food security by means of stable agricultural production, increasing competitiveness and the distribution of value across the food chain); environmental (sustainable use of natural resources and the fight against climate change); and territorial (ensuring economic and ...
