In 1965, the Chrysler Corporation purchased West Bend's outboard motor business. Chrysler acquired the 413,000 sq. ft facility in Hartford, Wisconsin which employed 500 people. The business was added to Chrysler's Marine and Industrial Engine division which already included a Marysville, Michigan plant for producing inboard marine engines

Chrysler is no longer in the outboard motor trade; in the 1980s, the government forced the sale of this division as part of their bailout plan. However, the outboard motors from that time are still available in the marketplace as used engines. The best method for identifying the year is by tracking the model number.
