Civil Collaborative Law The Road

Collaborative Law began with a family lawyer who was disenchanted with the negative effects of litigation on clients and their lawyers. Out of his frustration, a new dispute resolution process was born. Lawyers soon realized that there are many reasons that the benefits of the collaborative process should be extended beyond family cases.

Civil law - Civil law - The German system: Roman law, as embodied in the Corpus Juris Civilis, was "received" in Germany from the 15th century onward, and with this reception came a legal profession and a system of law developed by professionals (Juristenrecht). Roman law provided the theoretical basis for legal progress that culminated in the work of the scholars of the 19th century.
