We make sure that our database is constantly expanded and updated so that you can download all the files you need without any problems.

[PDF] Code Centric: T-SQL Programming with Stored ...

Garath Wells book is a unique guidance to T-SQL programming. In "easy to read terms" the book explains working with T-SQL and gives you the basic skills to write effective Stored Procedures and triggers. The book gives many, easy to understand examples that help you build your own code. I often use the book as a T-SQL-manual.
