Books on Google Play

An ebook (short for electronic book), also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent.

Ebook - Wikipedia

While organizations are free to determine the specifics of their query process, compliant practice requires that all queries either be a permanent part of the record or be retrievable in the business record. Query Policies and Procedures. Query practice should be managed and monitored for compliance to organizational policy. Organizations ...
