## Cuatro Chords

The most used cuatro chords are made with the major, minor and seventh, but feel free to try some different combinations whenever you're playing a song. For example, you could try E minor sixth instead of E minor, or D major seventh instead of D major. Feel free to play with them and see which one sounds good when used as a substitution.

The cuatro of Venezuela has four single nylon strings, tuned (ad'f#'b). It is similar in shape and tuning to the ukulele, but their character and playing technique are vastly different. It is tuned in a similar fashion to the traditional D tuning of the ukulele, but the A and B are an octave lower. Consequently, the same fingering can be used to shape the chords, but it produces a different ...

The cuatro is a family of Latin American string instruments played in Puerto Rico, Venezuela and other Latin American countries. It is derived from the Spanish guitar. Although some have viola-like shapes, most cuatros resemble a small to mid-sized classical guitar. In Puerto Rico and Venezuela, the cuatro is an ensemble instrument for secular and religious music, and is played at parties and ...
