There have been other manufacturers of auxiliary transmissions mentioned in Ford Tractor reference books, etc, but if they existed at all they are very, very rare. If you're thinking of adding an auxiliary transmission to your N-series Ford, the best bet today for availability is still the Sherman.

The auxiliary PTO lever puts the operation for the PTO in front of you, where it should be. The kit includes a knob that matches the existing transmission lever on the 8N, so it doesn't even look like an add-on! An excellent accessory that fits most older Ford tractors! Installs easily using hand tools. No modifications required to your
