foundations of nursing Flashcards and Study Sets | Quizlet

Nursing fundamentals is a class required by most nursing programs that nursing students take during the first semester of nursing school. This class is also known as nursing foundations, depending on what your nursing program calls it. Many nursing programs split this class into a lecture (which is attended throughout the semester) and then a skills lab and clinical site.

How to Study for Nursing Fundamentals in Nursing School

Also, foundations of nursing involves the legal and ethical aspects of nursing, such as what is in your scope of practice, pt's Bill of Rights, handling ethical issues (such as abortion, pt-assisted suicide), knowing the proper way to document, learning the nursing process, knowing the meds to give and why you are giving them and what side effects/adverse effects to expect, knowing how to implement pt safety, promoting education to the pt about their illness and treatment/prevention (such as ...
