A power of attorney (POA) is a document that allows you to appoint a person or organization to manage your property, financial, or medical affairs if you become unable to do so. However, all POAs are not created equal. Each type gives your attorney-in-fact—the person who will be making decisions on your behalf—a different level of control.

If it's night-time, park in a well-lit area with plenty of people around and lock all of your doors. Napping at school: If you have the time, and are allowed to, try using the library as a good place to nap. It is usually the quietest place at school. Then after, you can also nap in your car, if you have one.

The Easiest Way to Power Nap - wikiHow
Becoming a great power To become a Great Power, the player must have high development, and usually needs to be up-to-date with institutions. The great power ranking is based on the total development of a country + half of its non-tributary subjects' total development, divided by the current institution penalty (if no penalty, the value is 1).

Great power - Europa Universalis 4 Wiki
A power of attorney (POA) is one of the most powerful (and potentially risky) documents one can sign: It gives a third party "agent" the ability to control the assets of the "principal" as if the agent were the principal. Depending on how broad the POA is, that could mean anything from controlling one's financial accounts to controlling everything: healthcare decisions, investments, property ...

3 Potential Ways to Challenge a Power of Attorney
A power of attorney (or POA) is a legal document that gives one person (known as the "agent") the authority to act for another person (known as the "principal"). Typically you use a POA if you can't be present to take care of a financial matter, or you want someone to be able to take care of your finances in the event you become incapacitated.
