Turn learning into a habit, and your learners will be with you for life. Many of us are used to thinking of learning as something that happens once. We take a course, we read a book, we attend a seminar, and at the end of it, we've learned something! But the reality of learning is that it rarely happens this way.

Start by gliding to gain some momentum. When you're ready to turn, do so by crossing on skate over the other and using it to push off in the new direction. For instance, if you're turning left, cross your right skate over your left skate, turn your body toward the left, and push off with your right skate in the left direction.
