hyundai excel engine | Engine, Engine Parts & Transmission ...

The Hyundai Excel, also known as the Hyundai Pony and Hyundai Presto , was the first front wheel drive car produced by Hyundai made from 1985 to 1994. Hyundai Excel auto parts included a manual or automatic transmission to go with a 4 cylinder engine. The Excel was the manufacturer's first attempt at an American export, but serious problems with the construction of Excel body parts caused it to be a poor seller before its eventual discontinuation.
