Iran's military forces and warfighting capabilities : the ...

Iranian military doctrine is primarily defensive in nature and based on deterring perceived adversaries. Iran is therefore unlikely to seek a direct, force-on-force confrontation with the United States. However, there is ample room for miscommunication between Iranian and U.S. forces at the tactical and operational levels.

Iran's Military Doctrine | The Iran Primer

The Iranian Armed Forces, are the largest in the Middle East as well as the 8th largest globally, and the 14th most powerful in the world, as per Global Firepower. These forces total about 610,000 active personnel (not including the Law Enforcement Force). All branches of armed forces fall under the command of General Staff of Armed Forces.
