‘*And the Mountains Echoed*’ is the third book of Khalid Hosseini which I have read and he is definitely up there as one of my favorite writers. Khalid is an amazing story teller and uses simple words to describe people and surroundings which is quite effective. The book is written in a different style from the previous two books of Khalid . The book contains different chapters and each chapter is told

And the Mountains Echoed is the third novel by Afghan-American author Khaled Hosseini. Published in 2013 by Riverhead Books, it deviates from Hosseini's style in his first two works through his choice to avoid focusing on any one character. Rather, the book is written similarly to a collection of short stories, with each of the nine chapters being told from the perspective of a different character.

And The Mountains Echoed surpasses Hosseini's other novels, from a literary standpoint and by its ability to illuminate and make real Afghanistan's modern history. If you want to know Afghanistan - that is, know more than each day's revised body count - imaginative literature might just more closely resemble real life.
