Native Americans, also known as American Indians, Indigenous Americans and other terms, are the indigenous peoples of the United States, except Hawaii and territories of the United States. There are 574 federally recognized tribes living within the US, about half of which are associated with Indian reservations. The term "American Indian" excludes Native Hawaiians and some Alaskan Natives, while ...

### Native Americans in the United States - Wikipedia

The cultural assimilation of Native Americans was an assimilation effort by the United States to transform Native American culture to European-American culture between the years of 1790 and 1920. George Washington and Henry Knox were first to propose, in an American context, the cultural transformation of Native Americans. They formulated a policy to encourage the so-called civilizing process.
