Olivia has always radiated joy, hope, and compassion—determined to be a force for good in the world. Now she is sharing her journey, from Melbourne schoolgirl to international superstar, in this deeply personal book. Warm, candid, and moving, Don't Stop Believin' is Olivia Newton-John's story in her own words for the very first time.

Nice humor, like all Olivia books. The CD does not include turn-the-page signals, so it's hard for younger children to follow along independently. The book is hard cover, but is much smaller than I expected. It will not work for a classroom group reading. It's about 8.5" x 6.5". Helpful.

One aspect that I enjoyed about this book is her desire to help her family with decorations and chores.
