Cell Movements and the Shaping of the Vertebrate Body Archived 2020-01-22 at the Wayback Machine in Chapter 21 of Molecular Biology of the Cell Archived 2017-09-27 at the Wayback Machine fourth edition, edited by Bruce Alberts (2002) published by Garland Science. The Alberts text discusses how the "cellular building blocks" move to shape developing embryos. It is also common to describe small ...

Cell (biology) - Wikipedia

This can occur when RBCs are not fully phagocytosed by macrophages during extravascular hemolysis. 2 Cellular content remains the same and this leads to a decrease in the surface to volume ratio and spherocyte formation. 3 . Hereditary Spherocytosis: the formation of spherocytes occurs due to the defects in the vertical protein linkages between the membrane and cytoskeleton, resulting in a ...
