'Say The Word' is the second book by Julie Johnson that captivated me right from the start. Like Gravity was the first book that I've read by Ms Johnson and it was one of my fav. Books of 2013. So I was a little bit apprehensive while starting this book but there was no point of it because I loved this book. The writing was perfect.

What can I say, Julie slays this one yet again. Tackling a tough topic that shouldn't remain silent and weaving relationships of love and sibling sacrifice, Julie's words paint a picture and make the story too real and so beautiful. I love everything she has ever written and this one doesn't disappoint. Thanks Julie for your incredible words.
