Explores the possibilities of doing
feminist work across cultural divides
without ignoring differences or falling
into cultural relativism. The essays in
this volume propose transnational
feminist reading and writing practices
that counter the "scattered hegemonies"

Search Tips. Phrase Searching You can
use double quotes to search for a series
of words in a particular order. For
example, "World war II" (with quotes)
will give more precise results than World
war II (without quotes). Wildcard
Searching If you want to search for
multiple variations of a word, you can
substitute a special symbol (called a
"wildcard") for one or more letters.
