Skype's brand manual does just this, interjecting a little humour, and a colloquial and friendly tone into the explanations through instructions that are worded like "Never abuse our logo, it doesn't have arms so it can't fight back (our lawyers however, are another story)." Figure out your brand's tone and consider introducing this to the manual in a unique way that doesn't ...

The small user manual is only in English and Chinese and much of the labelling is also Chinese. Logitech also supplied a link to a 390c - specific settings application, but I had already installed the C390e settings app, and it seems to work fine. The settings app allows you to operate the 4x zoom, pan and tilt, brightness, contrast, and colour intensity. I have not found any functional ...
