Sport, Culture and Ideology (RLE Sports Studies) - 1st ...

Ideology and sports refers to the way in which the latter, as a distinct form of leisure activity, impacts upon the body of ideas which reflect the beliefs of a social group or political system. Indeed, the ideological capacity of sport can be considered so great that it may now be apt to rework Marx's dictum, in that sport, rather than religion, ...

Ideology and Sports - Sociology of Sport - iResearchNet

The paper considers the complex relationship between sport, ideology and the wielding of power. An outline is provided of the sociology of sport and the inadequacies of existing analyses which seriously misconceive both the relation of sport to culture and the relation of sport as a cultural form to economic, political and ideological processes.

Sport, culture and ideology. - CAB Direct

Power and Ideology in American Sport addresses a wide range of topics, including: how sport is embedded in the social, political, and economic structures of American society; how the sporting experience is shaped by powerful individuals as well as ordinary people; and as such how sport both unifies and segregates individuals, social classes, racial and ethnic groups, and competing political loyalties.

Sport Culture And Ideology

When coupled with an ideology of transparent meritocracy (those who succeed deserve and can be seen to do so) and a mythology of a sports world that stands aloof from the "ordinary" world, sports culture can be seen to offer a microcosm of a simpler, fairer universe.
