language or the text results in 'lifting the words off the page' and transforming them from written to spoken language. This happens when the actor has fully accessed and achieved ownership of the language rather than 'reciting' it. There are many excellent books which give exercises for both freeing the text and releasing the voice.

RSC voice and text preparation design

Words are everything and nothing to an actor. A script is filled with words, all of which add up to a plot, theme, events, and characters but the actor is responsible for bringing the words to life. One of the best ways to infuse a

Download File PDF The Actor And The Text Applause Acting Series

performance with conflict and drama is to interpret and play the subtext of the script.
