The Everafter Amy Huntley

The Everafter by Amy Huntley is a supernatural, ya mystery/romance coupled with a ghost story. Sounds like quite the eclectic mix, right? Well no worries, it all blends very well together and takes you on a journey of the afterlife as Huntley perceives it.

The Everafter by Amy Huntley - Goodreads

"Huntley is an author worth watching." (Publishers Weekly) [The Everafter is] a book that will stick with readers, making them think not only about Maddy but also about the nature of life and death, time, possessions, and the interactions with both people and things that make us, us. Amy Huntley says that a colleague's musings were the spark that inspired The Everafter: "I've always had a tendency to attach myself to the objects of my life, so when one of my friends said something like, 'Wouldn't it be funny if all those things you lost turned up after you were dead, just when you didn't need them anymore?' it got me thinking. But I wanted to believe there would be a purpose to their reappearance.
