The Goldhagen Effect History Memory

Stepping back from the immediate controversy surrounding the merits and shortcomings of Daniel Jonah Goldhagen's Hitler's Willing Executioners, this edited volume intervenes in the continuing discussion by exploring aspects of the public's reception to Goldhagen's book--what the authors call the "Goldhagen Effect."The first essay, by Omer Bartov, examines the extent to which the book's ...

The Goldhagen Effect by Geoff Eley | Waterstones

This essay explores the intimate relationship that exists between rhetoric, history, and collective memory. Using the Goldhagen debate as a case study, the authors contend that both "histories" and "collective memories" are discursive constructs that should not be viewed as antithetical concepts; rather, they argue that each involves questions of identity, tradition, and forgetfulness.
