The Middle Pillar positions us at a balanced point, neutralizing to some extent the swing of the psychic pendulum from one extreme to the other. In this exercise we will visualize the sephiroth of the middle pillar as part of our bodies, illuminating them in descending order while vibrating the sephiroth's divine name.

There are Two Pillars on the Tree of Life, called the Pillars of Mercy and Severity. Between them, lies the path of magick, of moderation. This Middle Pillar, known as the Mahalingam in the East, is that which upholds the world, and connects the Root of Creation to the Crown. This blog is dedicated to finding balance and Truth.

The anatomy of the ear can be a little confusing, especially since the ear is responsible not only for hearing, but also for balance.. There are three components to the ear: the outer ear, the middle ear and the inner ear.All three are involved in hearing but only the inner ear is responsible for balance.
