Healthcare Practices. Good health is
balance between hot and cold, eat well,
be plump, pray, be free of pain, eat and
sleep right, and exercise. Illness is seen
as punishment and comes of two
types—natural and supernatural.

Transcultural Health Care: A Culturally Competent Approach ...

On December 22, 2000, following a lengthy period of public comment and collaboration, the HHS Office of Minority Health issued National Standards on Culturally and Linguistically Appropriate Services (CLAS) in Health Care. 26 The standards 'are especially designed to address the needs of racial, ethnic, and linguistic population groups that experience unequal access to health services ... [and] to contribute to the elimination of racial and ethnic health disparities.'

Culturally Competent Approach
the Delivery of Healthcare Services
proposes that cultural humility and
cultural competence enter into a
synergistic relationship, resulting in a
combined effect that is greater than the
sum of their separate effects. This
synergistic relationship is embodied in
the term, “ cultural competemility.”
