Thought Bailey did his best to avoid eye contact with Shapiro, he could not fail to notice the smirk, and he later said he'd known just what Shapiro was thinking: "I got you back, you son of a bitch!" In 1994, Bailey and Shapiro shared another client besides O.J. Simpson--a Simpson--a Simpson--amed Claude Duboc.

could not fail to notice | English examples in context ...

In giving freedom to the slave, we assure freedom to the free -- honorable alike in what we give, and what we preserve. We shall nobly save, or meanly lose, the last best hope of earth. Other means may succeed; this could not fail.
