2020 Western 8'6" Snow Plow - MVP Plus- 20-18 | Snow plows ...

Western used a pivot bar to allow the blade to pivot on uneven ground. This is a feature that is only offered on one plow outside the Western line. With industry-leading speed and productivity, MVP Plus blows away the competition. This uses the Western Ultramount - very easy to mount and dismount and has the smallest mount in the industry.
