4. Teach music your students like and can relate to. Engage your students instantly by teaching them their favorite songs or genres. All kinds of music can be valuable resources for teaching and learning. There is no need to stick to the genres that have traditionally been associated with music lessons, such as classical and baroque music.

10 Tips For Teaching Music to Kids More Effectively ...

Ballads have a long history in music, poetry, and literature. While the meaning of ballads and their form has continuously shifted over time, we ultimately associate all ballads with some form of storytelling. For example, a ballad can be a slow, mournful love song—but it can also be a silly, light poem.
