Philosophy of art - Philosophy of art - Art as expression: The view that "art is imitation (representation)" has not only been challenged, it has been moribund in at least some of the arts since the 19th century. It was subsequently replaced by the theory that art is expression. Instead of reflecting states of the external world, art is held to reflect the inner state of the artist.

**Wordplay: The Philosophy, Art, and Science of Ambigrams ...**

The noun philosophy means the study of proper behavior, and the search for wisdom.

**philosophy - Dictionary Definition : Vocabulary.com**

Simone de Beauvoir The word 'philosophy' derives from an ancient Greek word meaning 'love of wisdom'. That is a good starting definition, but for a fuller sense of what philosophy is as an academic discipline, it helps to think of it as a set of fundamental questions, a rich history of attempts to answer those questions, and a distinctive range of reasoning methods and
